BACKGROUND DISCUSSION:

This project will construct sixteen ADA compliant pedestrian access ramps. The Schorr Estates subdivision ramps and the ramps along Grizzly Way adjacent to Copperhills High School were originally constructed with an older style pedestrian ramp that is not in compliance with current federal law. This project will bring ramps along the safe school walking routes into compliance with the law.

The bid was advertised in Intermountain Contractor and the classified ads of local newspapers three weeks prior to the bid opening on Tuesday, December 17, 2013. Plans and specifications became available to contractors from the West Jordan City Purchasing Division on November 18. Seven companies submitted bids with ACME Construction Inc. being the lowest responsible bidder, see attached bid results. The bidding documents were reviewed and evaluated to ensure ACME Construction Inc. met the bidding requirements.
